Bathrooms for people with limited mobility require a different solution, shapes and dimensions. In terms of atmosphere and appearance, there is no reason for the bathroom for handicapped people to lag behind in modern trends, what JIKA range proofs. Special washbasin 640 mm wide is also suitable for users with visual impairment due to its sophisticated design. For easier maintenance, we recommend ordering a bidet with a specially developed surface treatment of JIKA Perla ceramics, which extends the service life. We provide an extended warranty of 10 years for JIKA ceramic products.
