 H44J601
 Urinal partition, incl. installation kit
 H847601 Urinal division, with installation kit

JIKA offers ceramic solutions geared towards the needs of businesses. One of them is Golem urinal with an inner water inlet, which is popular mainly for its practical and simple design. You can connect this urinal to a horizontal or vertical siphon. We provide an extended 10-year warranty on the urinal. Assembly instructions can be found in the download documents. We recommend using a concealed module for urinals.
